Marketing AI & Analytics Lead | 10+ Years Experience

PROFESSIONAL SUMMARY

Results-driven Marketing AI & Analytics Lead with 10+ years of experience sitting at the intersection of marketing measurement, business intelligence, and AI enablement. Specializes in owning end-to-end attribution frameworks, establishing single-source-of-truth (SSOT) reporting systems, and driving organization-wide AI transformation. Proven builder and operator with hands-on experience engineering autonomous AI agents, custom scraper pipelines, locally-hosted CRM dashboards, and automated report pipelines (Python, APIs, webhooks, Power Automate, Make) that reduce operational effort by 40%. Managed budgets up to AED 35M and bridged advanced analytics with practical AI implementations to optimize CAC and maximize marketing efficiency.

PROFESSIONAL EXPERIENCE

Cushman & Wakefield | Core | Performance Marketing Lead

Aug 2025 – Present

Dubai, UAE

- Managed B2B & B2C paid media across Google, Meta, and LinkedIn, driving a **34% increase in qualified lead volume** while reducing CPL by **18%**.
- Implemented automated data pipelines and tracking scripts to feed performance metrics into a centralized marketing database, ensuring **100% data consistency**.
- Developed Power BI tracking dashboards and automated weekly reporting pipelines using custom Python logic, saving **12+ hours/week** in reporting overhead.
- Replaced legacy Spinify leaderboard with a custom, **AI-built webpage** hosted locally and synced with **Salesforce CRM** to update sales metrics in real-time.
- Utilised **VS Code (Claude)** and **Google Antigravity (Gemini)** using both IDEs to build high-converting property landing pages, driving a **25% increase in inquiries**.
- Activated Model Context Protocol (**MCPs**) for Google and Meta Ads, enabling AI-driven programmatic tracking and automated campaign adjustments.
- Led Salesforce CRM operations and database migration to Microsoft Dynamics 365 Sales with **zero data loss** and seamless team adoption.

RNS Realty | Digital Marketing Manager

Feb 2025 – Aug 2025 (Contract)

Dubai, UAE

- Lead Generation:** Spearheaded marketing initiatives across paid and organic channels, driving a **32% increase in overall lead volume** within 3 months.
